The Lottery charity beneficiary for this is the Wiltshire Air Ambulance.

The object of the AALS is to support and assist air ambulance charities affiliated to it. One of the ways it does this is by promoting lotteries. The sole charitable beneficiary of this lottery is the Wiltshire Air Ambulance Charitable Trust Charity No 1144097, which will receive all of the proceeds after deduction of the expenses of running the lottery, including the cost of the prizes. Your subscription is greatly appreciated as the charity needs to raise £1.5 million a year to keep the helicopter flying. They receive no government funding nor do they qualify for a National Lottery Grant.

They rely on the help of people like you to allow them to continue their life saving service.

We will not use your details for anything other than contact from Air ambulance related organisations, if you do not wish to receive mail from carefully selected 3rd parties tick here [] If you do not wish your location details published if you are a winner tick here []
