Thank you for taking on the challenge of helping Wiltshire Air Ambulance turn the county yellow and green during Air Ambulance Week!

National Air Ambulance Week - from 9 -15 September 2019 - enables you to support your local air ambulance.

We've chosen the theme of yellow and green to reflect the colours of our Bell 429 helicopter and our Volvo Rapid Response Vehicle.

Whether you’re doing this on your own, with family or friends or taking part with your work colleagues, there are plenty of ways to get involved.

By taking part in Air Ambulance Week your support will enable us to continue to keep our lifesaving service operational.

We rely on donations to continue saving lives as we are not funded directly by the Government and receive no National Lottery grants.
Be seen in green or mellow in yellow

Ask your friends, family, colleagues or school to wear yellow or green and make a donation, perhaps a minimum of £1.

Whether it’s a t-shirt or some funky trousers or shoes, encourage some wacky make up, or don some sunglasses or a crazy wig, or even dye or spray your hair yellow and green!

For kids – or adults – go for some yellow and green face painting!

If you’re feeling really adventurous, become a green queen or a yellow fellow and completely go head to toe in yellow and green.

Mean green baking machine

Hold an office bake sale or sell some cakes within your local community or school. If you want to add an element of competition, you can always award a prize for the best yellow or green cake – just add that yellow and green icing or sprinkles.

If baking isn’t your thing, you can hold a yellow and green food party or challenge yourself or your team to only eat yellow or green food for the day and be sponsored or ask for a donation.

Stuck for inspiration? – cheese and grapes make for a great party basis!

Are you green to find out more?

There are plenty of others ways to get involved:

- Hold a raffle with yellow and green prizes
- Guess the number of yellow and green sweets in a jar
- Host a yellow and/or green themed quiz in your work place
- Maybe even ask your work place or school to change their logo colours to yellow and green for the day!

These are just some of the ways you can show your support for Wiltshire Air Ambulance, but we’re all ears to other suggestions.
Tell us what you're doing

Share with us how you are turning your part of Wiltshire yellow and green. If your community, workplace or school are getting involved, tell us what you are doing.

We can share you event on our social media channels each day throughout Air Ambulance Week. The main day, Friday 13 September, is when we ask you to wear yellow and green to your workplace or school (with their permission).

Kenresa Stratford, events co-ordinator at Wiltshire Air Ambulance, said:

“We’re really excited to see what the public, businesses and schools can create for our theme of turning Wiltshire yellow and green during Air Ambulance Week.

“Anyone can get involved and while having fun the money raised will help our Helicopter Emergency Medical Service (HEMS) to continue saving lives.”

Yellow? It’s me…
